

## Club Membership

Waitakere BMX Club membership covers a 12 month period from 1 January to 31 December. Half year fees are offered from September to December. The NZ race season is from September to May. We are affiliated to BMX New Zealand and it is a requirement of BMX NZ that all our members also hold a BMX NZ licence. There are three licence types.

## Licence Types

### Open

An Open licence allows you to attend club nights at Waitakere and other clubs, AND also participate in weekend race meetings at BMX clubs throughout New Zealand.

### Kiwi Sprocket

A Kiwi Sprocket Licence is for children under eight years old. There is no scoring or placing and all riders receive the same awards / trophies. Sprocket riders can attend club nights at Waitakere and other clubs, AND also participate in weekend race meetings at BMX clubs throughout New Zealand.

### Club

A Club licence allows you to attend club nights at Waitakere Club. Club licence holders are not allowed to enter weekend race meetings and it is only available to riders 8 years & over.

Upgrading from a Club to an Open licence can be done at any time. The cost is \$51.

Once you have held an Open licence, you will only be able to change back to a Club licence after a stand down period of 12 months.

## Membership Fees

We offer a discount on 12 month club memberships for Open & Sprocket licences, to family members residing at the same address (as listed below).
