

# WAITAKERE BMX CLUB

## Directions To Our Track:

### From the North Western Motorway - Coming from Auckland City

- Follow the Nth West Motorway and exit at Lincoln Rd.
- Turn left onto Lincoln Rd (Go left when you get off the motorway)
- Go straight ahead through the first intersection on Lincoln Road (it's the "Triangle Rd" intersection). Turn right at the second intersection onto "Universal Dr" (there is a big Pack n Save on one corner and a KFC on the other corner).
- Follow Universal Dr all the way till you come to a big roundabout. Turn right. You are now on "Don Buck Rd".
- Now take the second left ("Glen Rd" - there is a playground on the corner of Glen Rd and it's just before a small bridge that heads up the hill).
- Travel on Glen Rd for around 1km. Once you go past the Massey Pony Club on the right hand side, the BMX track is the next driveway on your right.
- The driveway can be a little difficult to find the first time - it's easy to drive past - just look for the big trees lining the driveway.
- There is a small yellow road sign opposite the driveway saying "BMX Track".
- Drive down the driveway and to the left of the big building. The small bit of driveway beside the building leads directly to the BMX start ramp.
- Enjoy your riding!
